

You wouldn't know *which patient*
recently underwent
Joint Replacement Surgery.

And you **still won't for years to come**,
thanks to Florida Hospital Flagler's expert
Physicians and Rehab Staff.

Florida Hospital Flagler offers a **free** class for those considering a joint replacement in the future.

FLORIDA HOSPITAL
FLAGLER

Participants will learn about:

Total hip, knee and shoulder replacement surgery, post-anesthesia care, their stay on the orthopedic unit, post-discharge expectations and exercises they'll need to perform both before and after surgery.

If you are considering joint replacement surgery, call (386) 586-4221 today to join one of our informative sessions.

If you are already scheduled for joint replacement surgery but unable to attend one of the sessions, call us to make alternate arrangements.

FHF-17-18919

**Classes will be held every
Wednesday at 2 p.m.
in Classroom C at
Florida Hospital Flagler.**

(No class will be held on July 4th)

Directions to the Classroom

- Enter through the South entrance of the hospital. Valet parking is available.
- Once you walk through the doors, the classrooms are located down a hallway to the right.
- Classroom C is the last door at the end of the hallway.
