

You wouldn't know *which patient* recently underwent Joint Replacement Surgery.

And you still won't for years to come, thanks to Florida Hospital DeLand's expert Physicians and Rehab Staff.

Florida Hospital DeLand offers a free class for those considering a joint replacement in the future.

Participants will learn about:

Total hip, knee and shoulder replacement surgery, post-anesthesia care, their stay on the orthopedic unit, post-discharge expectations and exercises they'll need to perform both before and after surgery.

When facing the prospect of having joint replacement surgery, it helps to know you are in the hands of experts. Our goal is for you to achieve your best possible outcome, and our staff is committed to making sure you reach that goal.

If you are considering joint replacement surgery, call (386) 943-4065 today to join one of our informative sessions. Sessions are held the 2nd & 4th Monday each month from 9 - 11 am. RSVP is required.
